Spring Break Review

Mrs. Betty Mirade was blessed with a re-shingled roof in the second week of March this year when AdventureServe partnered with a group from Quincy University. Mrs. Mirade is a local widow, the first owner of her house and has lived there for more than thirty years.

Mrs. Mirade made sure to let us know that her four daughters and many grandchildren are excited for her to have new water tight roof and in fact it was one of her daughters who initially put her in contact with us after hearing about our home repair application at church. Mrs. Mirade said that having the all-girls group from Quincy was

like having a houseful of daughters again.

Mrs. Mirade is just one of the amazing people of Kentucky AdventureServe has the honor of serving and helping. We invite you to help support Mrs. Mirade and people like her through prayer, financial support, or by bring your own group to serve for a week.

High School Apprenticeship

Now we are offering an Apprenticeship Program for 14-18 year-olds to develop them personally and accomplish operational tasks.

Last year, Rachel who was 16, volunteered partly because she "got bored around the house" and enjoys helping others. She has a passion for missions and the outdoors. Her summer experience was so good, she plans to come back again to volunteer this summer! Olivia at 14, was recommended by the Next Steps program. It seemed God worked through our positive camp community to minister to her and she determined that fall to follow Jesus and was baptized at a local church!

Apprenticeship Participants will spend 20 hours a week for at least 6 weeks working alongside older staff members, developing service skills and growing in Christ. A program mentor will guide them on learning goals. There is no cost to be involved and participants have opportunity to raise dollars toward a service stipend. If you know a young person who may be interested, please share this with them or if you would like to help support this program click here. These funds will go towards our extra personnel that are hired to help pour into those in the program.

AdventureServe is happy to announce it will be participating in the Taste of Jessamine County for the third year in a row!

The Taste of Jessamine County is a fabulous county fundraiser put on by First Southern National Bank. For the last 20 years First Southern has hosted the Taste to raise funds for local organizations in Jessamine County.

This year all the proceeds raised in this event will not only benefit AdventureServe Ministries but also Lord's Legacy Life Ministries and Revive Ministries.

The Taste will take place Friday May 12, 6-8 PM at the RJ Corman Hanger 2 in Nicholasville, KY.

If you would like to know more about this event or would like to participate please [contact us](#) and we can help you get involved!

ADVENTURESERVE IS NOW HIRING!!!

Do you know any college age students who would be a great AdventureServe staff? We are **renew hiring** for our summer staff positions. We are looking for 18 and older men and women who love God, playing in the great outdoors, and seeking to have the most amazing summer of their lives!

AdventureServe also has a position open as an AmeriCorps VISTA member starting June 5th. It is a 1-year full time assignment with health coverage, living stipend, and college debt repayment. The job description is focused toward public relations including marketing for camper recruitment, managing fundraising campaigns and guiding volunteer groups.

Please have them give us a call (800.884.8483) or [email us](#) today.
